

Leasehold land renewal assistance

AgForward provides free of charge assistance to producers renewing leasehold land leases.

AgForward is an initiative of AgForce within its project division.

AgForward project officers will be travelling throughout regional Queensland from July to deliver information sessions providing:

- Up-to-date information on the lease renewal process
- Assistance with the development of property infrastructure maps and improving capacity to use GPS and associated mapping products
- Advice on Land Condition Assessments and identifying/recommending solutions for potential land condition issues
- Assistance with advice on your Land Management Agreement
- Providing an intermediary service

The information sessions will run for about three hours with time available afterward for mapping and one-on-one assistance if required.

To attend an information session or request assistance, fill in the registration form overleaf.

Information sessions are being held at:

Mount Isa – Monday, 2 August
Camooweal – Tuesday, 3 August
Burketown – Wednesday, 4 August
Cloncurry – Thursday, 5 August
Collinsville – Tuesday, 24 August
Charters Towers – Wednesday, 25 August
Chillagoe area – Tuesday, 7 September
Holroyd Station near Coen – Friday, 10 September
Gilberton Station near Einasleigh – Sunday, 12 September

Registrations are preferred two weeks prior to information sessions in order to prepare your property map. Registrations can be made closer to the day, however we cannot guarantee your property map will be available at the information session. If this occurs, it will be mailed out to you after the information session.
